

Have you ever
wanted to
grow your own
vegetables?

Join us in Hounslow for our **Blooming Marvellous Community Allotment Programme**

We've brought people together in our community to discover the fun of growing fruit and vegetables. We've started our planting from scratch and we're really excited to see what we can grow together.

We plan on sharing and eating our produce in a series of community picnics.

There's no pressure, and you only need to do what you feel comfortable with.

Weekly drop-in sessions in Hounslow

**Wednesdays
11.30 am – 3.30 pm**

Gloves and tools will be provided.

Bring your own refreshments.

Limited spaces, available on a first come first served basis.

Our **inclusive gardening sessions** are led by our community support team, but **we are also looking for keen volunteers in the Hounslow area** to help us create a sensory herb garden for the people we support, alongside **helping each other develop or learn new gardening skills** during a busy planting season in our Blooming Marvellous allotment plot.

If you'd like to join us or would just like to find out more details on what to expect please email bloomingm@certitude.org.uk
